The most successful heifer bull on the planet!

If you've been searching for a heifer bull to use on Insight, Brilliance and Style females (among others), we joyfully present Power Chip! It's rare to find a bull who works on heifers, yet puts a little "POP", grow, muscle shape, and "look" into them. The first Power Chip progeny have sold extremely well and have that profile that makes them easy to look at, easy to sell, and easy to show. The cow power is behind Power Chip with Matrix, Midland, Right Time and the legendary Miss Wix family! Pretty well-balanced EPDs across the board on Power Chip so nearly all facets of the industry can use him. His daughters are tremendous producers that raise valuable progeny! \$50

Dauntless was the 2023 Spring Bull Sale season highlight and top seller at Lee Simmental Farms, MO! He's an ideal blaze, paternal brother to SO Remedy out of Onyx 44B, former Jones Show Cattle \$70,000+ sale feature; with her dam being the most legendary female the breed has ever seen, STF Onyx! Expect **Dauntless** to improve soundness, joint & foot flex, body depth, tail head, hair quality, and inject those high-necked, clean chested, trimmer extended fronts that demand attention in the ring, WIN, and sell high! **Dauntless** is 6 frame and going to click awesomely on COPE, Relentless, Lover Boy, EO, Double Up, Profit, Hammer, Epic, P2B & conservatively marked Broker & Bankroll lines among others. He's non-diluter and could be the best Simmy halfblood maker the clubby business has ever seen. That's bold, but that's **Dauntless**! Thanks to those many elite breeders who trusted **Dauntless** in year 1 and we hope you create the best value ever with his progeny!
